

The Connection Capital private investor syndicate

We provide experienced investors with direct access to private equity deals and other alternative investments. These opportunities, which are usually only available to institutional clients, target attractive risk-adjusted investment returns through income and capital growth.

Typical clients

Investment, large corporate or professional/financial services background

Entrepreneurs who have exited a business

Family offices

LOOKING TO DIVERSIFY THEIR PORTFOLIO AND TARGET ATTRACTIVE RETURNS BEYOND TRADITIONAL ASSET CLASSES

How does it work?

- Our specialist team sources, structures and undertakes rigorous due diligence on UK private equity, commercial property and private debt deals, as well as alternative asset funds.
- We look for unique opportunities that are not widely available and present only the very best to our clients. You can invest, entirely at your discretion, in multiples of £25,000.
- We actively manage the investments through to exit, providing regular reporting in the interim.

Our approach to alternative investments: typical characteristics

	Private equity	Commercial property	Private debt	Alternative funds
Area of focus	<ul style="list-style-type: none"> • Later stage established companies • MBO & growth capital 	<ul style="list-style-type: none"> • Quality tenants • Long income 	<ul style="list-style-type: none"> • Flexible funding packages 	<ul style="list-style-type: none"> • Diversified, uncorrelated and specialist strategies ranging from credit to venture style risk/return profiles.
Annual yield	Up to 10%	c5%	9%-15%	Strategy dependent
Target money multiple/IRR (net of all fees)	3x plus	10%-15%*	1.5x-2.5x	1.5x-3.0x plus
Investment duration	3-5 years	3-5 years	1-5 years	3-8 years

*Average annual return (net of all fees). This table is provided for illustrative purposes only and its contents are not guaranteed. Each investment opportunity will have its own specific details which will be fully covered in the respective Investment Proposal. 'IRR' or internal rate of return is a cashflow driven measure of return which takes into account reinvestment.

Don't miss out

You must be registered with us to access our investment opportunities.

If you are an experienced investor and would like the opportunity to invest through Connection Capital, we require you to register with us. This is to ensure you qualify as a 'professional client' with sufficient experience to make your own investment decisions, in line with FCA guidance for the types of investments we offer. Registration is free, simply visit www.connectioncapital.co.uk and select 'Register'. Professional clients are not afforded the level of protection a retail client would receive.
